Case No.00-1-0009
**ORDER FINDING
COMPLIANCE**

On November 2, 2000, the Board entered its Final Decision and Order finding Yakima County R/ELDP zoning district was not consistent with and failed to implement the land use designation established by the comprehensive plan (Plan 2015) and directed the County to come into compliance within 90 days.

Thereafter, the parties entered into settlement negotiations. Subsequently, the County adopted Ordinance 2001-2 amending Plan 2015 by changing the policy planmap designation of the properties which were the subject of this appeal from Rural Self-Sufficient to Rural Remote/Extremely Limited Development Potential. The parties also entered into a Settlement Agreement. NOW, THEREFORE, IT IS HEREBY ORDERED that the County has complied with the Board's Order and is in compliance with the Growth Management Act with respect to this appeal.
