In separate Superior Court appeals under Cause Nos. 95-2-05656-7 and 96-2-00080-2, the Clark County Superior Court reversed certain portions of the Western Washington Growth Management Hearings Board decision in the above-entitled case. The Superior Court decision is set forth in an order dated April 4, 1997, as amended by the order dated June 11, 1997.

Therefore, it is ordered that Clark County is not in compliance with the Growth Management Act as to those matters set forth in the separate appeals and the matter is remanded to Clark County to achieve compliance consistent with earlier orders of the Board as modified by the Superior Court orders referenced above which are incorporated herein. Because of the unusual scope and complexity of the issues, under the provisions of Chapter 429, Laws of 1997, Section 14(3)(b), compliance shall be achieved by March 2, 1998. The County shall submit a report on the progress it is making toward compliance by December 15, 1997.

So ORDERED this 11th day of August, 1997.
