On January 29, 1996, counsel for the three parties entered into a written stipulation. That stipulation was filed with the Board, along with an order that was thereafter signed by the presiding officer. The stipulation provided that Clallam County would take certain actions with regard to the urban growth area of the City of Port Angeles. The order provided that the hearing on the merits scheduled for February 6, 1996, would be stricken. A later order established the hearing date for March 15, 1996.

On February 27, 1996, the Clallam County Board of County Commissioners adopted a new development regulation for the Port Angeles UGA. Written notification was received from counsel for each of the three parties, indicating that the terms of the stipulation have been completed. This Dismissal Order does not preclude a new petition based upon the February 27, 1996, ordinance.

It is therefore ordered that the consolidated petition in the above-entitled action is hereby dismissed.

SO ORDERED this 7th day of March, 1996.
