In our January 8, 1997, compliance Order we stated:

"The City of Shelton remains in noncompliance with the Growth Management Act. In order to achieve compliance Shelton must adopt concurrency management regulations and review its critical areas ordinance by May 10, 1997."

On June 5, 1997, we received a statement of actions from Shelton. In that statement, Shelton provided documentation that concurrency management regulations were adopted by the City Commission on May 5, 1997, as Ordinance No. 1473-0497. Shelton further provided evidence that a review of the City's critical areas ordinance had been conducted. Further, on April 21, 1997, the City Commission adopted Ordinance No. 1472-0497 amending Ordinance 1338-0292, the Critical Areas Protection Ordinance. At the compliance hearing on June 25, 1997, petitioners did not refute these facts.

ORDER

The City of Shelton has complied with our January 8, 1997, Order.

So ORDERED this 26th day of June, 1997.
