On January 25, 1999, we received a motion for reconsideration from Mason County. WAC 242-02-832.

It has been our interpretation of WAC 242-02-832 that responses filed within 10 days of receipt of any motion (including motions for reconsideration) are appropriate whether we require them or not. Nonetheless, some parties in other cases have interpreted our rules as not allowing response unless directed by the Board.

We will consider responses to this motion for reconsideration. Parties must file their responses by end of day February 8, 1999.

We waive the requirement in WAC 242-02-832(3) deeming a motion denied if no action is taken by the Board within 20 days of the filing of the motion (petition) for reconsideration.

So ORDERED this 28<sup>th</sup> day of January, 1999.
