On November 17, 2000, we issued a compliance hearing order (CO) on FDO Remand Issues 10, 14, and 15 in the above-captioned case.

On November 27, 2000, we received a motion for reconsideration from Whidbey Environmental Action Network (WEAN).

On December 7, 2000, we received Island County's response requesting denial of WEAN's motion for reconsideration.

WAC 242-02-832 is the controlling rule for determining motions for reconsideration. After carefully reviewing that provision, the November 17, 2000 CO, WEANS's motion and the County's response, we find no grounds to grant WEAN's motion. We find no inconsistency and no legal errors in the challenged CO.

WEAN's motion for reconsideration is denied.

This is a Final Order under RCW 36.70A.300(5) for purposes of appeal.

So ORDERED this 7<sup>th</sup> day of December, 2000.
