On January 12, 2000, we signed our fourth order extending time for issuance of the final decision and order. The January 12, 2000, order was a result of a progress report and request of the parties to extend the time for issuance of a final decision and order in this case. As part of the January 12, 2000, order a requirement for a progress report and further request for extension, if needed, was due by February 11, 2000. No such request was made.

The parties agreed that prior to this date the County would have sufficient time to readopt the Waldron Subarea Plan and that thereafter the above-entitled case could be dismissed.

It is ordered that the petition in the above-entitled case is dismissed.

This is a Final Order under RCW 36.70A.300(5) for purposes of appeal.

Pursuant to WAC 242-02-832(1), a motion for reconsideration may be filed within ten days of

issuance of this final decision.

So ORDERED this 29th day of February, 2000.
