_____)	

On September 1, 2000, Skagit County filed a motion for Order of Dismissal in the above-entitled case. In that motion the County pointed out that Ordinance #17891 (the challenged interim ordinance extending the County’s Critical Areas Ordinance (CAO)) was repealed on July 24, 2000, by the enactment of Ordinance #17938 (the County’s Unified Development Code). Further, Friends of Skagit County (FOSC) had filed a new petition under Case #00-2-0036 wherein it challenged the parallel CAO provisions of Ordinance #17938. The County asked that we dismiss this case and offered to include all relevant exhibits in this case in the Index to the Record in Case #00-2-0036.

On September 11, 2000, FOSC filed a conditional support of the County’s motion provided that the County be required to include all relevant exhibits in this case in the Index for Case #00-2-0036.

It is ordered that the petition in the above-entitled case is dismissed. The County must include all relevant exhibits in this case in the index for Case #00-2-0036.

This is a Final Order under RCW 36.70A.300(5) for purposes of appeal.

Pursuant to WAC 242-02-832(1), a motion for reconsideration may be filed within ten days of

issuance of this final decision.

So ORDERED this 12th day of September, 2000.
